Dear student,

**Welcome** to the Universidade Federal de Santa Maria (UFSM)! We are glad you have chosen our university to undertake a period of study.

In this **International Student Guide**, you will find some important information about **coming to Santa Maria and studying at UFSM**.

We hope you have a **great international experience with us!**

SAI Team  
International Affairs Office

# Arriving in Brazil

If you are coming by air, one of the options is to land at the **Salgado Filho International Airport (POA)**, in **Porto Alegre**, and take a bus to Santa Maria. You can also take a direct flight to the **Santa Maria Airport (RIA)**, but it is small and has limited flight options.

To consult **bus timetables from Porto Alegre to Santa Maria**, **click here**.

# Arriving in Santa Maria

In Santa Maria, there are **two bus stations**: one is located near **downtown** and the other is located in **Camobi** (where UFSM is located). If you are planning on getting off at the **Camobi station**, it is the first stop when you are coming from Porto Alegre and you should let the driver know that you plan to get off there.

Upon arrival in Santa Maria, you will need to obtain the following documents.

# Important Documents

**Registro Nacional Migratório (RNM) (National Migratory Registration):** this document is issued by the Federal Police. The service must be scheduled in advance (ask your international friend to assist you). Click on “Registro de imigrante detentor de visto temporário” (Registration of immigrants with a temporary visa).

**Personal Tax ID Number (CPF):** can be requested along with the visa at the Brazilian diplomatic representation in your country. It is also possible to request the CPF through the Brazilian Federal Revenue Office (Receita Federal) website, in [this link](#).

# Arriving at UFSM

**Make an effort to arrive in Santa Maria **at least one week before your classes begin**, so that you can obtain all the necessary documents in time.**

**Upon your arrival, you must report to the International Affairs Office (SAI) to deliver your documents and request enrollment.**

**SAI is in building 47 (Central Administrative Offices), on the 7th floor, room 739.**

**Office hours (from Monday to Friday):**

**Morning: 8:30 to 11:30 a.m.**

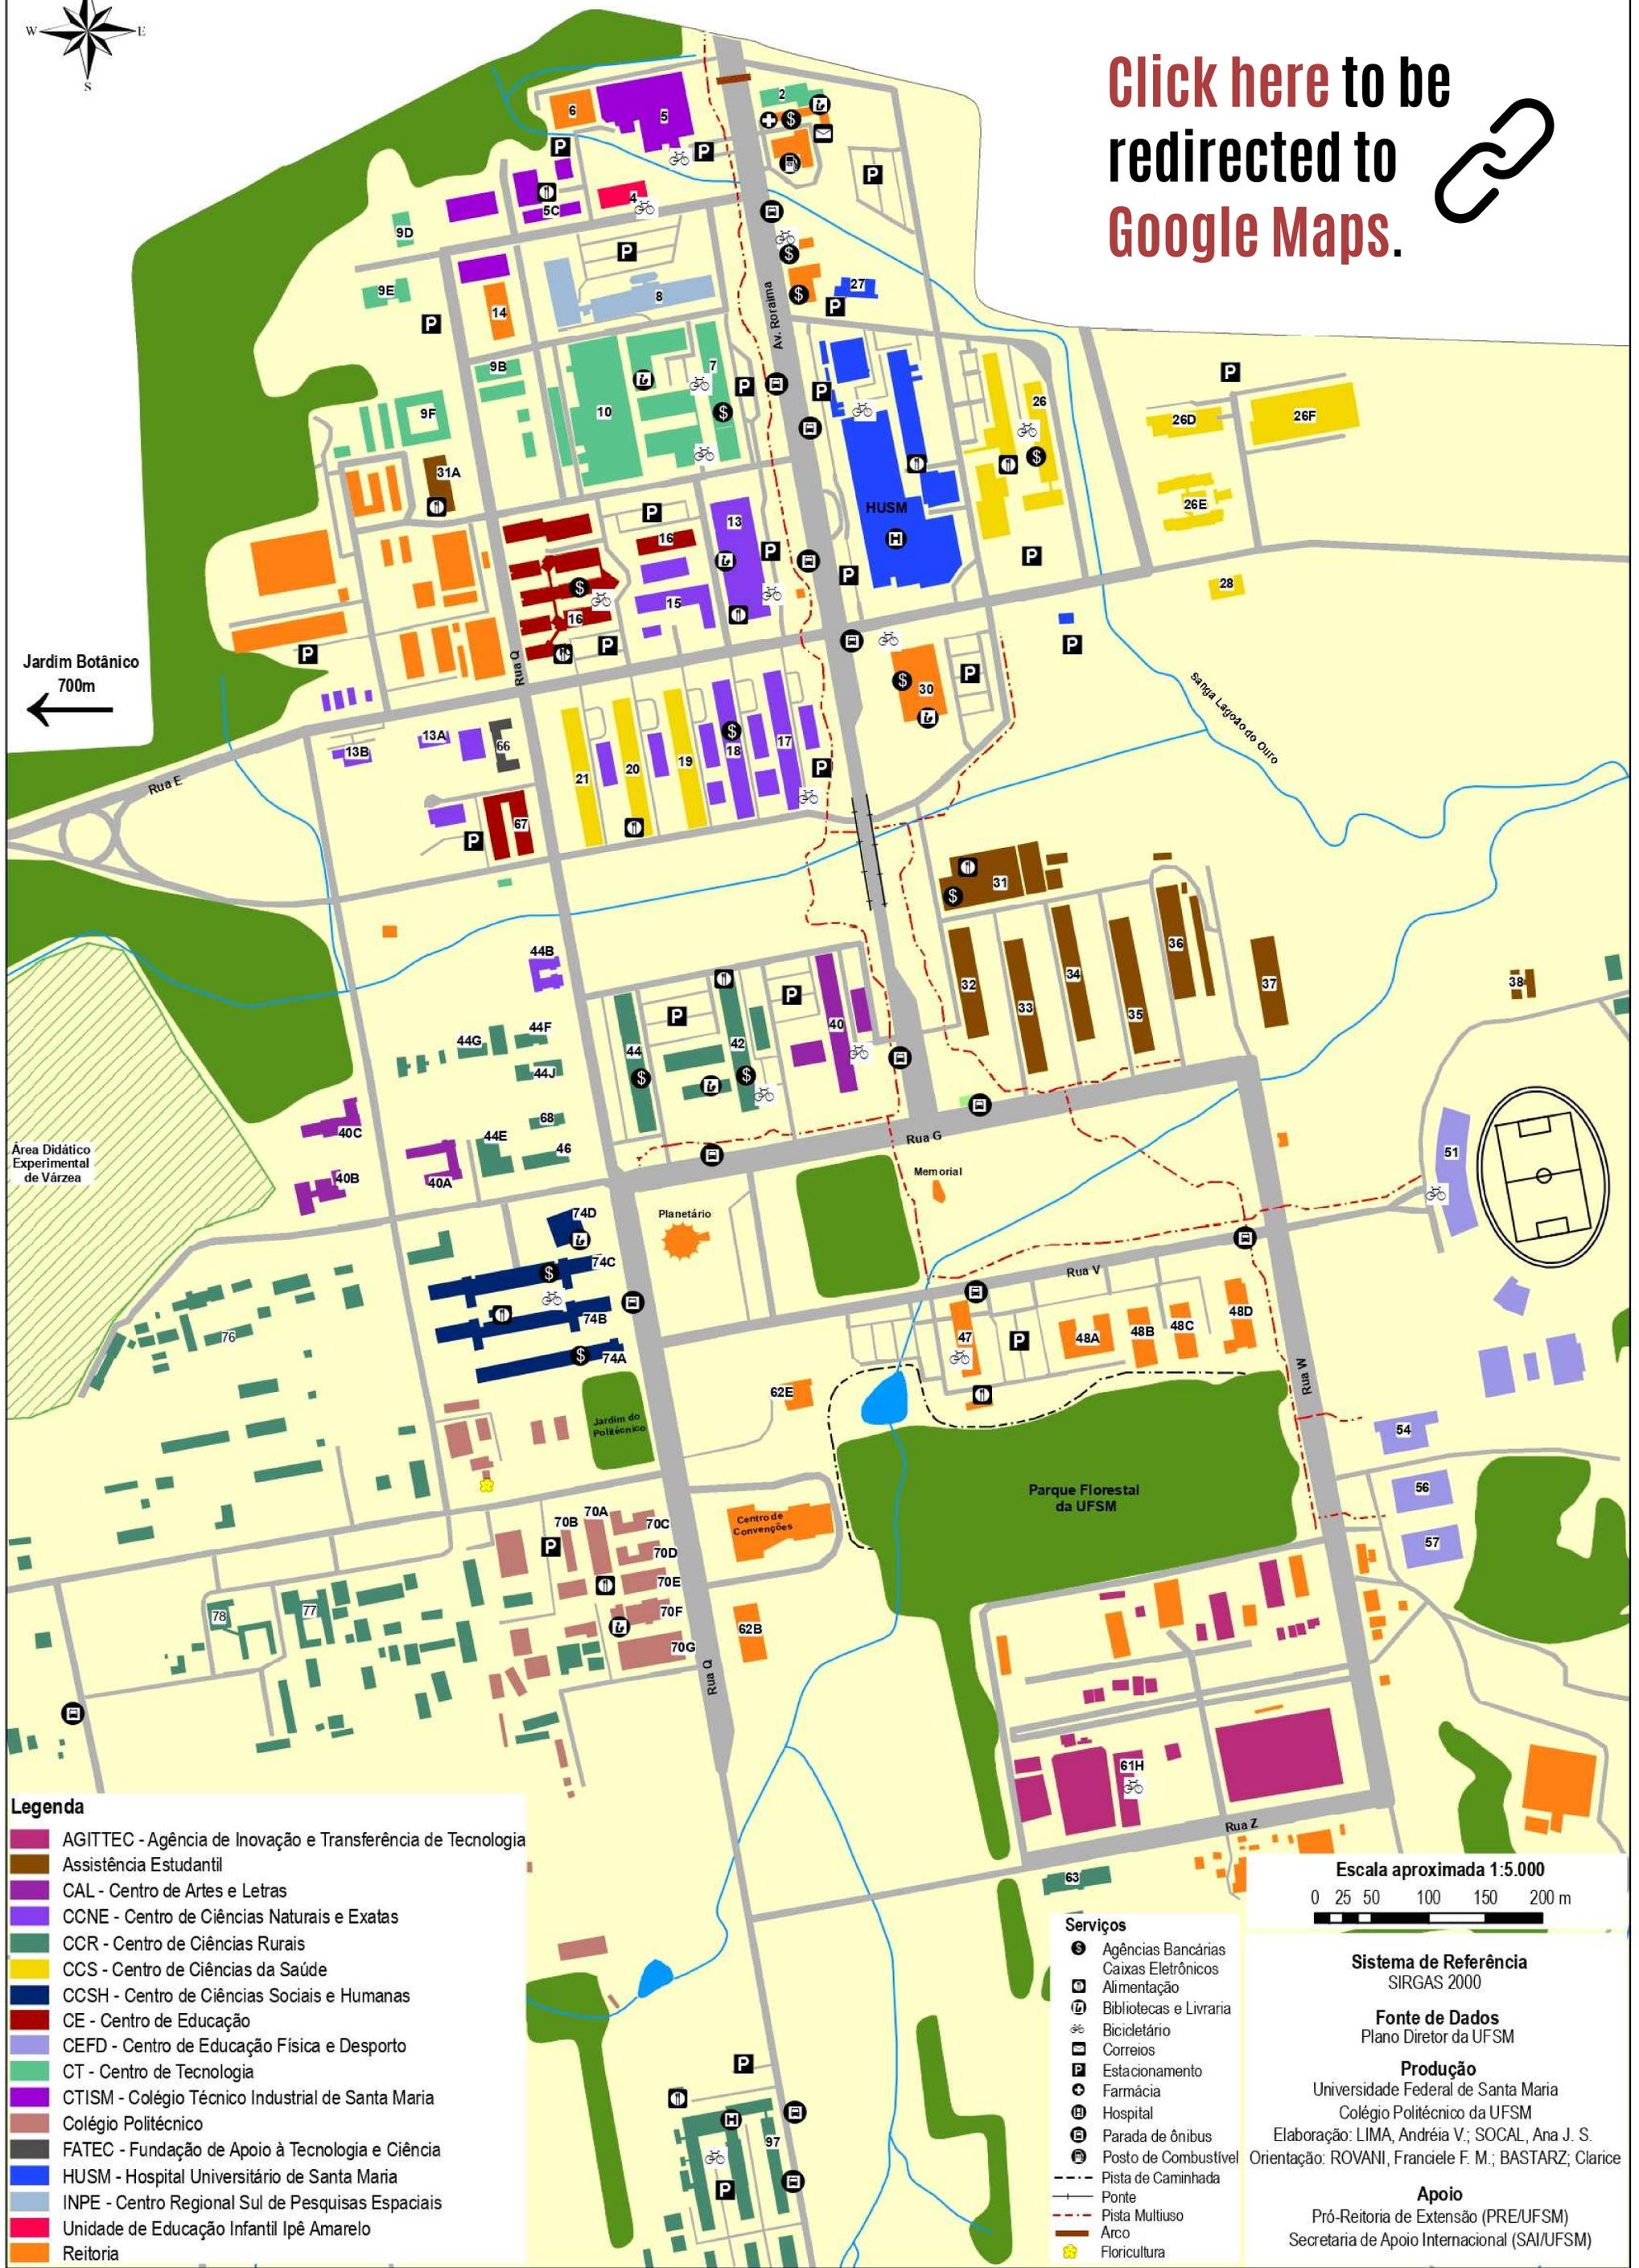

**Afternoon: 2:00 to 5:00 p.m.**

# International Orientation Week

Several **activities** are carried out this week, such as:

- Processing of documentation and enrollment;
- Portuguese classes;
- Sightseeing tours.

More information about orientation week will be sent later by email.

For other important dates at UFSM, consult our **academic calendar**.

UFSM course contents can be found **here**.

# International Friend

The international friend program was designed to bring about **integration between international students and volunteer members of the UFSM academic community.**

The **international friend** provides assistance to the international student in their first few weeks at UFSM, you can discover more about it in **this link**.

Exchange students will be given the contact information of **a person willing to help** with any questions regarding arrival and getting settled in.

# Housing in Santa Maria

The **“Host an International Student”** program provides a list of contacts of people from the Santa Maria community who wish **to host international students in their homes.**

We emphasize that the residences are private and UFSM has no responsibility in this kind of contract, being the sole **responsibility of the student.** You can discover more about it in **this link.**

More information about housing in Santa Maria can be found on **rental apps as well as real estate and accomodation websites.**

The university campus is located in Camobi, **10 km from downtown Santa Maria**. You can find a place to live in Camobi or in any other neighborhood.

The **main advantage of living in Camobi** is the proximity to UFSM and the short commute time. In addition, the university campus is a great option for leisure activities and outdoor sports.

The **advantage of living downtown** is the greater **variety of shopping and entertainment options**. Travel time from downtown to Camobi is approximately **40 minutes**, which can vary depending on traffic and means of transportation.

# Tomadas e voltagens

The current official standard for plugs and sockets is the **three-prong** outlet, but you can also find two-prong outlets in some places.

The voltage in the city of Santa Maria is 220 Volts, so make sure your devices are designed to use this voltage or are dual-voltage.

# City Transportation

University students have a **50% discount on bus fare** (public transportation), which currently costs **R\$2,25** after the discount.

To obtain the discounted fare, you must register as a student at the **ATU (Associação dos Transportadores Urbanos de Passageiros de Santa Maria, the Santa Maria Public Transportation Association)**. To do this, you will need to take your certificate of enrollment (comprovante de matrícula) and proof of address to the ATU as soon as you have completed enrollment at UFSM.

To **check bus routes and schedules**, you can download the **Urmob** app.

# University Restaurant

UFSM has a university restaurant (RU) that offers **3 meals a day** (breakfast, lunch and dinner).

The price of meals for regularly enrolled students at UFSM is **R\$2.50** (two reais and fifty cents). Students whose exchange program provides meal stipends (AUGM) do not pay for meals at RU.

To gain access to the restaurant, students must apply for an **RU card** at the **UFSM Student Portal**. Students must also schedule their meals in advance on the UFSM app or at the University Restaurant portal.

# UFSM App

**This resource provides students and employees with access to a number of features, including the university restaurant menu, meal scheduling, library book renewals, student grades and absences for the current semester and bus schedules. The app also provides a digital version of the Student Card, (e-card), which can be used in place of its physical version.**

**Download it here:**

# At the end of your exchange program

When your exchange period is over, the International Affairs Office (SAI) will forward your academic transcript to your home university within **30 days**.

However, the academic transcript will only be issued if you have **no overdue charges or books on loan from the library and other UFSM services**. Therefore, be sure you return any books taken during the exchange period and don't forget to come by SAI to say **goodbye!**

Once again, we wish you a **pleasant stay** during your study period at UFSM!
