Mozambique	3	Russia	1

Agreements with Chinese universities

South China Agricultural University

Fujian Medical University

Hebei Normal University

Sichuan University of Science and Engineering

One of our partnerships with Chinese universities led to the creation of **two research centers**, one focused on sustainable agricultural technologies (RICSaGTech) and the other on chemistry and food (FoodChemTech).

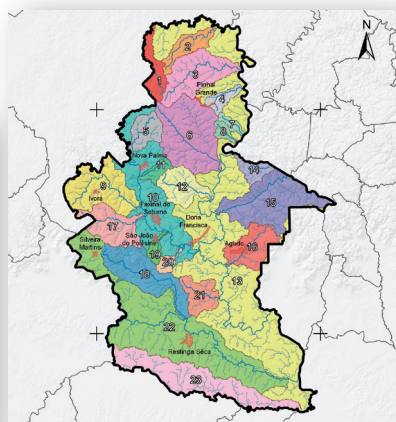

QUARTA COLÔNIA AND CAÇAPAVA DO SUL UNESCO GLOBAL GEOPARKS

unesco

Global Geopark

10 cities
100 K inhabitants
6 K+ km² geopark area

Fossil found in the region was featured in the journal Nature in December 2020.

INNOVATION

Technology Transfer

141
software programs

Intellectual Property

62
patents granted

Entrepreneurial education

46
incubated companies

Largest Huawei-funded project in Brazil, focusing on the safety and quality of solar power generation systems.

1st FabLab in the FoodTech field in Latin America

Advanced Farm 360 recognized in sustainable agriculture in article published on the United Nations (UN) website

UNIVERSITY HOSPITAL

43
cities served

1 M+
people served

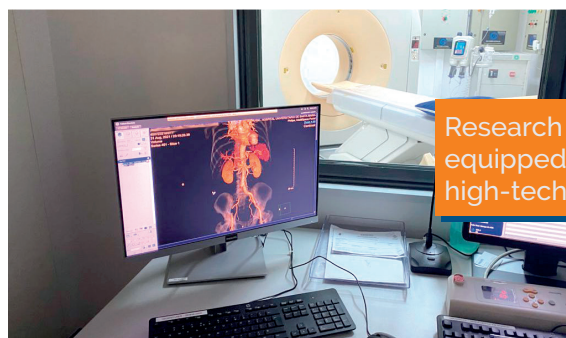

380
beds

Hospital **100%** public

300+ medical residents

2 K+ students

A teaching and referral hospital for urgency and emergency care

Research laboratories equipped with high-tech instruments
